“Just as Roe v. Wade did not end the debate over abortion, the court’s ruling on marriage, far from settling the issue, has most likely launched the next great culture war.”

Marriage: Christians Take Heart

*Commentary by Hugh Brown,
son of American Life League Founder, Judie Brown*

The age of comfortable Christianity is over, as it should be.

Picking up our cross means suffering. But our suffering for Christ is the greatest act of love we can do for Him. What are we afraid of? Being called names? Labeled? Marginalized? Fined? Persecuted? Jailed? Murdered? So what.

...If Christ is for us, who can be against us? Do we really believe that? Then have no fear.

Fear and despair are weapons of the enemy, meet them head on with courage and fidelity.

The Saints in heaven have died for less. What we must do now is espouse the beauty of marriage as defined by God and courageously live our faith. Share your beliefs with everyone, raise your children to be faithful Christians and to hold firm to the truths of our faith. Live your faith without fear and witness to everyone.

The final battle is upon us. It is our actions now that will define us, let them be selfless, let them be courageous, let them be for the love of Christ and for the love of our families. Their souls are worth it and we are in the hour where Christ needs His people to stand.

Fear not, have courage and be a light in the darkness.

Pro-Life Youth on Cross Country Walk

A Stop Planned at Cherry Hill
Women's Center

Join this vibrant group of young people as they make a stop at Cherry Hill Women's Center to pray with and encourage our local volunteers outside this abortion center -- **Saturday morning, August 8, at 10:30 AM.** Contact Tracye for details: 856-770-8488.

Crossroads was founded in 1995 by Steve Sanborn, a student at Franciscan University of Steubenville (Ohio) as a response to John Paul II's call to the youth of the world to take an active role in the pro-life movement in order to establish a Culture of Life.

An integral part of Crossroads is our yearly pro-life pilgrimages across the United States. Each summer, young adults walk on four simultaneous pro-life walks across America from Seattle, San Francisco, San Jose and Los Angeles to Washington, D.C..

Too Much of a Good Thing? We love your donations BUT...

Please do not leave donated clothes, baby items, toys, etc in the Church Hall and other rooms.

Contact a member of the Pro-Life Apostolate to see if we can match your donation to a needy family.
